In addition to officially entering you in the show, this form assists in allocating space for plants.

- If your plant entry has a "spread" of over 1 square foot, put a large star next to that class number below and indicate the amount of space the plant will take.
- If you decide after submitting this form that you will not bring an entry, please contact the show chair immediately so space can be reallocated.

Classes

Indicate the number of each class that you are entering. You may have up to two entries per class. When entering two, list the class number twice. If you enter Class 1300, include number of plants below.
